

Stafford Rotary Club "Rides to Rehab" Fund

The Rotary Club of Stafford Conn. has been able to establish a fund which will enable citizens who are in need of transportation to rehab facilities and /or meth clinics to receive such transportation free of charge. Upon successful screening they would hire a ride service and draw the money from the Rotary Rides to Rehab fund enabling the recipient to get to and from treatment. The fund would be administered by the Stafford Family Services . Anyone interested in receiving funding or who knows of someone who would benefit from such funding should contact Stafford Family Services 860-684-4239.

The funds were awarded to the Stafford Rotary Club for this program from a Rotary District 7890 Grant. Rotary District 7890 has an Addiction Task Force with three main areas of focus: CREATE AWARENESS of the crisis, INCREASE AND IMPROVE ACCESS to needed and successful services, and to REDUCE THE STIGMA OF THE DISEASE. The application for the grant fit in to the districts desire "Make a Difference" in our communities by addressing the Addiction Crisis....
