Town of Stafford

Part-time on-call Animal Control Officer

The Town of Stafford is currently seeking an individual for *on call evening and weekend hours* 3 days per week who can provide excellent animal control services to the community enforcing state and local animal control laws, experience in handling and controlling dogs. Duties include handling and sometimes lifting large animals. Must be able to deal effectively and tactfully with the public.

**General Description/Definition of Work**

This position performs responsible protective service work in the enforcement of state statutes and ordinances regulating the keeping of animals within the Town as well as related work as required. Duties include responding to calls; enforcing animal control laws; preparing and maintaining appropriate records and files. Position reports to the First Selectman or her Designee.

Individual must be willing to become a certified Animal Control officer.

Payrate: $30.00 per day depending on experience

*Being on call* means an employee is available to work if their employer contacts them. An employee who is on-call isn’t working, but they are available in case they need to.

Employees who are on call will need to remain near town and available to respond to calls.

Please send Application, resume and references to Office of the First Selectman, Attn: Beth DaDalt, 1 Main Street, Stafford Springs, CT 06076. Position will remain open until filled.
